

September 2011

Dear Parent/Guardian

Please find below a list of Open Evening dates for local colleges. By the end of November our six main local colleges will have been in to school to talk to interested Year 11 pupils during lunchtime information sessions. They will also be in school on Tuesday 15 November from 4.45pm to 7.45pm to speak to both pupils and parents at the Year 11 Parents Evening and College Fair.

Applications for local colleges should be completed before the end of term using the LogonMoveon website. Your child has already received their personal log in details for this site, which enables them to submit one or multiple college applications. If pupils do not complete their college applications before the end of December, they risk missing out on an interview in school and may have to visit the college instead.

Interviews normally take place in school between January and March and parents are welcome to attend these interviews if they wish.
